

Griswold Park Renovation Project

Informational Meeting – Open to the Public

Wednesday, May 28, 2008 at 6:00 PM

A Public Information Meeting will be held on Wednesday, May 28, 2008 at 6:00 p.m. at the City of Erie Municipal Building, 626 State Street in City Council Chambers to discuss the proposed improvements to Griswold Park.

Griswold Park is a vital City asset in need of a bold revitalization. A re-design and re-evaluation of the park's many uses supports the revival in the Union Square District and allows the City the opportunity to improve park functions, increase its usefulness and attractiveness to residents and visitors, and create new opportunities for partnerships in the revitalization of the neighborhood. A park design will add to the excitement and enthusiasm citizens have shown for the bold housing initiative slated for the Union Square area.

All interested persons are invited to attend the Public Meeting. If you have any questions or need additional information, please contact the Department of Public Works at 870-1451.
